Adults with some sailing experience preferred

\$1,500 per person to stay aboard (6 nights)/\$1,000 per person for day races only

Adventurous adults (age 18+) are invited to submit an application to become Race Crew on the Bermuda Sloop, SPIRIT OF BERMUDA, as she competes in the famous ANTIGUA CLASSIC YACHT REGATTA!

Sign on to SPIRIT at the dock of the Antigua Yacht Club, nestled amongst some of the most beautiful classic yachts in the world. Crews and guests from all over the world will sail on more than 60 classic yachts. Join us on **Wednesday, April 19th**, to begin ship orientation and training before heading out for a day of practice racing on **Thursday, April 20th**. You will come together with the new crew and learn your spot onboard while racing over the next 4 days. That evening, you will attend the welcome party on the lawn of the yacht club, where we start meeting and getting to know all the crews from all the beautiful vessels.

Starting **Friday, April 21st**, the action starts with an exciting, yet friendly 20nm race off the beautiful island of Antigua. There are several different classes for the race and SPIRIT will be head to head with the other big boats of the fleet, including COLUMBIA, ADIX, and several of the large J-BOATS, like RANGER and SHAMROCK V. After a great day of sailing, SPIRIT will head back to her spot at the dock. Unwind with a few drinks and light food before the evening social gathering at the yacht club, where awards and race results are read out and the crews dance away to a great live band.

Racing continues for the next three days with the last race on **Monday, April 24th**. We expect SPIRIT to be highly competitive in her class and maybe, just maybe, we could take home a trophy. Although all crews and vessels try to do their best each day, this Regatta is more about enjoying the sight of all these magnificent vessels and the camaraderie and friendly rivalry of all the different crews. It is truly one of the favorite regattas of the year!

Race crew will sign off on **Tuesday, April 25th**, as the Regatta winds down with plenty of new memories and friendships.

As Race Crew, you will be provided with crew shirt and hat, lunch onboard, as well as post race drinks and light food. Race Crew also have the option of sleeping onboard, although spots are limited, while others may wish to stay in one of the many guest houses or Airbnb rentals around the area.
