**BERMUDA SLOOP
FOUNDATION**

Dear Bermuda Sloop Foundation Family,

We hope this note finds you well notwithstanding these unprecedented times. Please know that we are navigating through these difficult times with careful attention so that when restrictions are lifted, we can resume delivering our world class programme. Our beautiful ship, Spirit of Bermuda, is in safe harbour and proudly awaits setting sail again with young and eager minds onboard and partaking in the experience of a lifetime.

Currently, school voyages are on hold as are any plans for skiller voyages and charters. We look forward to hearing the start signal for many aspects of life including sailing in general and sail training on STV Spirit of Bermuda. When that day comes it would be our pleasure to resume charters and what a great day out on our beautiful, Bermuda blue waters that will be!

The broader community is acutely aware that essential services and charities are paramount and especially now. Even so, we must continue to look to our supporters in the community and the corporate forum so we can emerge from this crisis with wind in our sails. In tandem with that, the BSF has made difficult decisions to furlough some staff while others remain with reduced hours and pay.

We look forward to better days and wish you the very best during this crisis. We promise to keep you informed and would love to hear from you also. Please feel free to contact Robin Hamill, CEO robin.hamill@bermudasloop.org or Kelly Way, Business Development Manager kelly.way@bermudasloop.org.
